Dear Parents,

Your child participated in a science activity with graduate students from the NMSU Astronomy Department, and pictures were taken of the group of children participating in the event. With your permission, the NMSU Astronomy Department might publish these pictures on an NMSU webpage. For examples of pictures from past astronomy outreach activities, please see http://astronomy.nmsu.edu/dept/html/academics.outreach.shtml.

If you would like to see the pictures of your child, please contact our Public Events Coordinator at outreach@astronomy.nmsu.edu. Include your child's name and the name of his/her school.

If you agree to allow your child's pictures to be posted, please fill out the bottom of this form. A scanned copy of this signed form may be sent to outreach@astronomy.nmsu.edu or a hardcopy may be sent to our office:

Public Events, NMSU Astronomy Department
Box 30001, MSC 4500

Thank you!
~ NMSU Astronomy

I hereby give permission for my child's pictures to be published on NMSU's webpage. I understand that if my child's picture is published on the internet, it will be accessible worldwide.
