

INDIVIDUAL LAB REPORT

THIS COVER PAGE MUST BE COMPLETED BY EACH STUDENT AND ATTACHED TO THE TOP OF EACH TAKE-HOME LAB REPORT SUBMITTED

Lab Title _____

Date Submitted _____

Lab TA signature _____

Lab Section _____

This Individual (take-home) portion of the Lab report contains my work as an individual. I have not copied and I have not let myself be copied. There is nothing in this lab report that could be misconstrued as copying. I understand I may have talked with other students about the report, but I have completed this written portion by myself. I understand the implications of handing in any work that give the impression that copying has occurred, as detailed in the course syllabus.
