

Homework Assignment #2

Due Friday 5 September

Read Chapter 2 of the textbook and answer the “Study Guide” and “Calculations” questions at the ends of those sections.

Specifically, hand in written answers to:

- Study Guide questions 1 - 22
on pages 64 & 65 (59 & 60)*
- Calculation questions 1 - 7
on page 66 (61)
Show your work!

Note that the the first bunch of Study Guide questions are multiple choice.

I'd recommend that you do “Questions to Ponder” on page 66 and (60) for your own benefit.

*Page numbers in parentheses are for those using the Fourth Edition of the textbook.
